HAPPY FATHERS'S DAY!

...Our Church: last Sunday the parish held a fundraising brunch hosted by our own Filipino community, for the church roof replacement. It was a huge success, with the hall filled to capacity, and more than twenty-five helpers coming together in a community serving an amazing meal. Everyone in attendance truly enjoyed themselves, all helping to raise \$2,827.05. And once the kitchen and hall were cleaned, the Filipino community entered the church to give thanks, praying the rosary. Truly a fantastic response by all parishioners! Thank you!

Greetings to All:

Pastor's
NOTES

Last Sunday the Filipino community under the leadership and guidance of Dita Pennykid put on a wonderful brunch with the proceeds going towards the church roof replacement. Over \$2800 dollars was raised and thank you to all that helped to make it happen and those who came to the brunch.

This Sunday at the 10:30 am mass we recognize the high school students from parish families who are graduating this year. At the same celebration there are two youth who will be receiving the sacraments of Baptism, five to be Confirmed and two will receive their First Eucharist.

I have made some copies of two form letters for the proposed supportive housing in Parksville. If you would like to sign one please do so with your signature, the date and address and send to the mayor and council of Parksville or drop off at City Hall. If you would like the template emailed to you let us know with an email to the office and we will send them to you. A reminder that the letters should be in before the meeting on Tuesday June 19th

On another matter the Children's Religious Education Program has been on Monday nights for many years. I have discussed this with Laura Gaetz the coordinator of the program that it will be moved to Wednesday evenings starting in September from the Monday night. The reason for the change is that Monday is my day off and some Mondays I am there for the sessions but to truly have a day off means you do take it off. Being on a Wednesday night I will be present more often and come to know the children and their families. Also classes are lost with holiday Mondays whereas on a Wednesday night the dates would be available.

Lastly my mother has been released from the hospital in Courtenay and is recovering at home.

Fr. Mike

...Tuesday Adoration: Regarding the importance of Eucharistic Adoration, St. John Paul says: "There is a particular need to cultivate a lively awareness of Christ's real presence both in the celebration of the Mass and in the worship of the Eucharist outside Mass—The presence of Jesus in the tabernacle must be a kind of magnetic pole attracting an ever greater number of souls enamoured of him, ready to patiently hear his voice and, as it were to sense the beating of his heart—Let us take the time to kneel before Jesus present in the Eucharist, in order to make reparation by our faith and love for the acts of carelessness and neglect, and even the insults which our Saviour must endure in many parts of the world" (MND#18)
